FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 411 - HB 785

February 16, 2009

SUMMARY OF BILL: Authorizes local boards of education (LEAs) to refuse professional employee organizations access to school district e-mail systems or web-sites.

ESTIMATED FISCAL IMPACT:

Decrease Local Expenditures – Not Significant

Assumptions:

- The bill is permissive and does not require local boards of education or the state to impose these restrictions. LEAs that implement this restriction may incur a slight decrease in expenditures.
- There is a typographical error in Section One. The bill adds language after the words, "or communication media." Currently, Tenn. Code Ann. § 49-5-609(a)(4), reads "or other communication media." This error does not affect the fiscal impact.
